FUNDRAISING
REGULATOR

The Candlelighters Trust is a registered charity and supports the families of children affected by childhood cancer across Yorkshire. Registered Charity No: 1045077. The Candlelighters Trust is also a limited company, registered office: Candlelighters, 8 Woodhouse Square, Leeds, LS3 1AD. Registered in England, No. 3020552.

Hello,

Thank you so much for downloading our Fundraising Pack and wanting to fundraise for Candlelighters - your support means the world to us.

Each year, over 150 children in Yorkshire are diagnosed with cancer. When a child is diagnosed, lives are turned upside down instantly: not just for the child but the entire family. Getting well again can be a long and challenging journey, emotionally, physically, and financially.

Supporting children and families through that journey is why our charity was formed more than 45 years ago. We understand the complexities and impacts of a childhood cancer diagnosis and we will be there to help families with our range of emotional, practical and financial support.

Alongside this, our vision is to see more children survive cancer, and feel better during their treatment. We've been investing in research into childhood cancer for 40 years and have seen considerable improvements in survival rates. We continue to invest in research to help deliver kinder treatments for children and to reduce the long-term impacts of cancer to help children live the lives they deserve.

The money you raise will enable families to access talking therapies and wellbeing services to aid their mental health and take part in groups and events with people on a similar journey so they feel a little less alone. They will be fully supported during hospital stays with our team based in the hospital as well as the many NHS roles funded by Candlelighters, and have breaks away with our holidays, or ease the financial burdens that a cancer diagnosis brings with the grants we give to families.

You're also helping to invest in a brighter future for our children through the research we fund.

Look out for Champ, our mascot, giving his top tips throughout this pack!

We can't thank you enough for your support. We've put this pack together to help you with your fundraising to give you lots of ideas and tips. One of our Candlelighters values is fun and we hope you have bucket loads of fun with your fundraising and can't wait to hear about all the things you have planned or have done!

Thank you so much,

E.J. Wragg

Mark Gallimore's 100th Event

Mark Gallimore, of Acomb, York, started raising funds for Candlelighters after his son, George, was diagnosed with leukaemia in 2013 at just two years old. Along with friends and family, he set up 'Team George' to raise funds for us, with a particular focus on fundraising through organised challenge events. Subjected to daily chemotherapy and medication every four hours, George led a far from normal life. Amazingly, in November 2016, George was finally given the all-clear, although he still needs regular check-ups and medication to ensure he remains this way.

On 24th September 2021, Mark completed his 100th event for Candlelighters - raising £39,000 since 2014.

South Kilvington C of E School Fundraiser

In 2021, the amazing pupils and team at South Kilvington C of E Primary School completed a fundraising walk around their village in support of pupil Amelia, who sadly relapsed with acute lymphoblastic leukaemia.

Amelia herself led the walk, with classmates and teachers in tow, and members of the community came out to show their support. Despite only having 95 pupils, the school raised an incredible £13,000 and Headteacher, Stephen Butterworth said, "for me it was all about giving something back to a charity that has supported one of my pupils extremely well through the hardest time in her life. Amelia's character, bravery and courage is an example to us all. Amelia is our beacon of light and an example of what our fantastic school represents. Involving the wider community was key to our event being such a huge success".

December

The perfect time to put your festive thinking caps on and put your fundraising into action!

Plan your event

Have a think who your audience will be and where you would like to hold your event. Consider which days people are more likely to be available, such as a weekend, and where will be accessible. Try jotting down your ideas on location and dates here!

Fundraising

How will you raise the money? Will it be an entry fee, a raffle, a sale or something else? Set yourself an achievable target, but try to aim high!

Posters and promotional material

You can download a variety of posters and graphics for different events on our [Fundraising Resources page](#) (scan the QR code!) - all you have to do is put in the details of your event! See our Promotion & Publicity guide on [page 11](#) for ideas on how to spread the word about your event successfully. You can also request other materials you may need, such as balloons, charity leaflets, and newsletters, directly from us.

On the day

Make sure to let us know when and where your fundraising event is! We can also help to supply you with collection tins and other materials you may need - just get in touch!

Set up a fundraising page

Using an online fundraising page is an easy way to collect money and takes only minutes to set up. Having a fundraising page means it is easy to share and the money will come directly to Candlelighters! We recommend Enthuse but JustGiving is also a popular platform you could use - just search your chosen platform and 'Candlelighters'.

Make it personal

Choose a fun title, explain what your event is and what Candlelighters means to you. Include regular updates on how you're getting on; they'll be keen to sponsor you if they know the effort you're putting in. People who use a photo raise 53% more than those who don't, so make sure you snap a selfie too.

Around 20% of sponsorship comes in after someone has completed their challenge, so don't stop once it is over. Let people know how it went, post some photos and let people continue to show their support.

Set your own target

People who set an online fundraising target raise on average 40% more than those who don't. Whatever figure you have in mind, add it in as people will want to help achieve your goal.

Share, share, share!

Share your link with as many people as possible and post to your social media channels – sharing just after pay-day usually helps boost your total. Remember to thank everyone personally if they donate too.

Legalities

Gift Aid

Gift Aid is an easy way to maximise your fundraising: if your supporter is a UK taxpayer, the government will give Candlelighters 25p for every £1 they donate. However, there are strict rules to follow. Gift Aid cannot be claimed on ticket sales, raffle ticket sales, winning auction bids, or anything other than an individual donation. Also, it cannot be claimed on behalf of a group or as part of a collection. For more information, please get in touch with us for a Gift Aid form.

Raffles & Lotteries

Please ensure that you are familiar with these and operate your auction, lottery or raffle accordingly. Licences are required for all online auctions.

As a responsible charity, we are obliged to provide this guidance; once we have done so, if you go ahead with another type of raffle, this is your responsibility and we cannot be held accountable for any action taken from the Gambling License Regulators.

Covid-19

With the changing guidelines on the Covid-19 pandemic, make sure to check that your fundraising event is within these guidelines. We are happy to offer advice on planning an event during the pandemic.

You could help children like Ralph

Written by his mum, Cleo

Ralph was diagnosed with T-Cell Lymphoma at the age of six. A chest X-ray picked up several large tumours in Ralph's neck and chest and we were told we had a very sick little boy. After diagnosis, Ralph started day one of three and a half years of gruelling chemotherapy.

Those first few weeks were so frightening and traumatic; it all felt like a bit of a blur. My husband and I took turns to stay on the ward with Ralph while also trying to maintain some sort of 'normal' life for Ralph's three sisters at home. Ralph became unwell and immobile very soon into his treatment. It was emotionally challenging. Not only were we faced with a son with a life-threatening illness, our girls were upset and missed having us all at home as a family. Our living costs increased, and I don't add up how much we spent on Lego to get through each treatment!

Ralph was extremely ill with little time on his side. Every moment of the three and a half years of treatment, I worried I would lose him. The chemo is aggressive; it made him extremely sick. Ralph was given large amounts of steroids, which made him double in size, unable to walk, and affected his mood, making him angry and depressed. Scans, X-rays, transfusions, infections, temperatures, midnight dashes to the hospital, blood clots, Sepsis, side effects, bad news, and good news became our day-to-day life, a new normal.

On the second day on the ward, a Candlelighters team member offered their support and came to play with Ralph. Since that day, our family and Candlelighters have been firm friends! The level of support they have given us has been immense. From financial support in the first weeks to the support they still give us now, even though Ralph has finished his treatment.

Candlelighters has helped the whole family in a way you couldn't think imaginable, whether it's the Dinner Lady Elaine with the sweetie trolley on the ward or the funded Play Team entertaining Ralph during the long days in a hospital bed. Chemo doesn't stop for Christmas and birthdays, but the Candlelighters team always made sure a birthday spent at the hospital was celebrated with presents and a party. Movie nights, pizza nights, face painting, it's Candlelighters that made the ward a warm, happy place, which we were proud to call our second home.

It's like living in a bubble when you have a child with cancer. I cannot put into words how thankful we are to Candlelighters for everything they did to make our journey over the last four years a better one.

They support you through your whole journey and furthermore; your entire family can access any help they may need, at any time. That really is outstanding.
