

Sponsor the annual Candlelighters Patient and Sibling Christmas Party

Christmas is a very special time for families, and every year Candlelighters organises a Christmas party for children who have had or have cancer or leukaemia, and their siblings. Opportunities are now available to help make this a magical day for all the families.

ABOUT CANDLELIGHTERS

When a child is diagnosed with cancer, life immediately changes for their family. But Candlelighters is here to help. For the last forty years Candlelighters has supported ordinary families facing the extraordinary circumstances that children's cancer presents. Offering practical help and warm support from our extended Candlelighters family. Because we know that when it comes to fighting cancer, we're stronger together.

Founded in 1976, Candlelighters helps support children with cancer and their families. We fund research and essential services. And we've helped to create some unique spaces especially for them. Places they can go to unwind, unburden themselves, and feel the big warm hug of our Candlelighters family. Our aim today is the same as it always has been: to bring support and hope to ordinary families who are facing extraordinary circumstances.

Candlelighters is a community, and The Square is like its home. A friendly, relaxing environment based in Leeds, where families can go to unwind and unburden themselves. Here you can have a quiet moment to yourself, or share your stories with people who will understand what you're going through. It's for anyone affected by childhood cancer. Whether it be mum, dad, a brother or sister, grandparent, or even a close friend or patient. There's a complementary therapist available for bookings, plenty of tea and coffee, and a lot of friendly faces.

Essentials about the event

- Over 200 children, teenagers and adults attend each year; most of them are currently still on treatment
- Sunday 4 December 2016 at the Royal Armouries, Leeds
- Free of charge to families

Branding opportunities

- Logo on welcome pull up banner at the event
- Mention on social media before, during and after the event
- Inclusion in news piece on Candlelighters website
- Inclusion in news piece in Candlelighters Spring 2017 newsletter
- Presence on the day in volunteer roles—optional
