Supporting the families of children with cancer

## Great Yorkshire Challenge!

Each year, around **150** children in Yorkshire are diagnosed with cancer... can you do a Great Yorkshire Challenge for a Great Yorkshire Charity and raise **£150** to help Candlelighters support these children and their families?

In the past year, we supported **all** newly diagnosed families whose principal treatment centre was Leeds Children's Hospital

## Great Yorkshire Challenge!

*'Your support has meant the world to us. Thank you so, so much for getting in touch - I can't thank you enough for what Candlelighters has done. Your support came at the right time.'* - Mum after an initial check-in

### Get Sponsored!

Take on a Yorkshire themed challenge and get friends, family or colleagues to sponsor you! Cycle the Tour De Yorkshire, walk the distance of the Humber Bridge or Yorkshire Three Peaks, or even take on a 24-hour football-a-thon. Sheffield is the home of the first-ever football team after all!

### Organise an Event!

Coordinate a Yorkshire themed quiz, a welly wanging contest, or a race night! Charge an entry fee and arrange a small prize for the winners. To ensure you're following the current government guidance, be sure to stick to outdoor or virtual events which allow for social distancing.

### Donate!

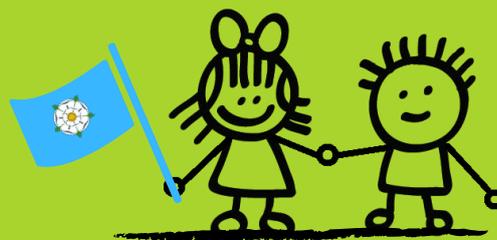

If you don't feel that you can raise £150, you can donate £10 instead. A donation of £10 would allow us to have an initial check-in with a newly diagnosed family, whilst they are unable to visit us at our family support centre, The Square.

## Great Yorkshire Challenge!

Help us to help families like the Browns' whose 4-year-old daughter Hannah relapsed with Acute Lymphoblastic Leukaemia in 2019 and had to stay in hospital throughout lockdown. Hannah's mum said *'We feel it would have been very hard without the support of Candlelighters and we are extremely fortunate that we can continue to access to this kind of support.'*
