Candle  
lighters

Supporting the families  
of children with cancer

Let's get spooky!

Cut me out  
and stick  
me in your  
window?

Ask the Play Team to  
help! You might need  
to laminate it.

Draw a spooky picture of you and your family and send it into our Family Support Team!

If you're on the ward you could give it to Amy or Charlotte. They'll be able to laminate this for you to make sure it's safe to have on the ward.

Cut me out and stick me in your window!
