Help us turn Yorkshire PINK!

28th June - 5th July

Raising funds and awareness for children with cancer

Each year, over 150 children in Yorkshire are diagnosed with cancer, turning the lives of families upside down. Candlelighters is a charity bringing light and hope to families facing childhood cancer across Yorkshire, providing emotional, practical and financial support from diagnosis and for as long as is needed, as well as funding research into childhood cancers.

This year we need your help to raise crucial funds and awareness for Candlelighters by joining in with Pink It Up, our flagship campaign! Get together with friends, family and colleagues and think up some perfectly pink fundraising ideas - for inspiration, guidance, and any other resources you might need, visit www.candlelighters.org.uk/pink-it-up/

For the first time in over a year, we hope there will be no restrictions so we need supporters to be as ambitious, creative, and PINK as possible!
