Candlelighters

About Candlelighters

Each year, over 150 children in Yorkshire are diagnosed with cancer. When a child is diagnosed, lives are turned upside down instantly: not just for the child but the entire family. Getting well again can be a long and challenging journey, emotionally, physically, and financially. Supporting children and families throughout that journey is why our charity, Candlelighters, was formed more than 40 years ago.

We understand the complexities and impacts of a childhood cancer diagnosis, and our mission is to bring light and hope to families facing childhood cancer in Yorkshire.

We aim to do this by:

- Providing emotional, practical and financial support to families. This includes expert support such as talking therapies, wellbeing services and support groups, holidays, day-to-day support on the wards and financial grants.
- Delivering our range of high-quality family support services for whenever and wherever we are needed, from the point of diagnosis, during and after treatment, and for those families who are sadly bereaved.
- Supporting and strengthening the NHS centre of excellence in Yorkshire by funding crucial, front-line hospital roles.
- Investing in vital research, education and training to improve the outcomes and lives of children and their families affected by childhood cancer both across Yorkshire and further afield.

Our Vision

*To bring **light** and **hope** to every family affected by childhood cancer across Yorkshire.*

Our Mission

*We bring **light** to families affected by childhood cancer by providing emotional, practical and financial support.*

*We bring **hope** by investing in vital research to improve the outcomes and lives of children with cancer.*

Volunteer Testimonials

Don't just take our word for it, see what our volunteers have to say about volunteering for Candlelighters!

"Whenever I'm thanked for giving my time, I feel the urge to thank Candlelighters for letting me be a Trustee. I almost wish I could do more to support the charity, but I have to balance it with my full-time job and raising a family; being a Trustee is almost the pinnacle of giving back."

- Greg, Trustee

"I personally love being a volunteer because I know that the Christmas parties and different events that I have attended can spread the name and purpose of the charity further so more children's parents can get help while their child is in hospital."

- Ruth, Ambassador

"Candlelighters is a fantastic charity focussed on helping children and families going through the stress and anxiety of cancer treatments. It is a pleasure to give some of my time to support this charity in its amazing work."

- John, Trustee

"Everything Candlelighters do for volunteers is truly wonderful. I feel very privileged to be a part of Candlelighters as a volunteer and you make us feel so welcomed and valued. It's absolutely amazing and I can see why you have so many volunteers who stay year after year."

- Chloe, Family Event Volunteer

Getting involved

Volunteering for Candlelighters means you can get involved in as little or as much as you want to help support the charity and the amazing work that it does.

Getting involved varies from donning a silly hat for a photoshoot for a campaign, volunteering at one of our events, fundraising, or participating in an event yourself!

Meet some of the families we support

"The love and support you gave to us and Charlie during his treatment was above and beyond. He was never daunted by the hospital and that's down to Candlelighters. Charlie also enjoyed going to The Square after his treatment to annoy the staff there with chair races, Nerf guns and his stories. Not forgetting our amazing holiday to Centre Parcs of which the memories will last a lifetime. We are forever grateful."

- Mum

"The support Candlelighters gives is second to none and is a fine example of what other charities should follow. What is great though, is you get to meet other parents and children who have gone through the same and fully understand your pain, something that other people just never get."

- Dad
